The workshop will be held at the University of Bonn with financial support of the German Finance Association and the Excellence Cluster ECONtribute.

The workshop is targeted towards untenured faculty members to help them publish their work. The workshop will include a panel discussion on „How to improve the chances of having your research published in a very good journal“, and a group session with feedback on elevator pitches and abstracts of papers by the participants. Most importantly, each workshop participant will get two one hour one-on-one meetings with two senior scholars who have significant experience with the publishing process. The ideal candidate has (at least) one completed paper, possibly presented at one or more conferences, and possibly been submitted (and either been asked for a revision or been rejected) to a good journal. Preference will be given to author teams without senior faculty. If you have, please share the referee reports (both positive and negative), this will help the panelists to help you.

To submit, send your paper and CV to hakenes@uni-bonn.de **until February 15, 2019**.

We have reserved rooms at the Ameron Hotel Königshof on the Rhine. Participants are asked to pay for themselves, but if funding should be a problem, let us know. If you have further questions, do not hesitate to ask us.
